The ballot is on page three and only goes to active members. Please print out the ballot and bring to the meeting March 3!

## SASME PICNIC

Our annual Picnic will be held Sunday, Apr. 11, at Lion's Park in Benson. Bring your own meat to cook, and a dish to share, as well as plates, etc. SASME will provide sodas. There will be our usual version of "SASME Bocci Ball". The coals will be ready about 12 noon. This location is near the tracks; maps will be made available on the Bulletin Board at the club.

## FINANCIAL NEWS

SASME sold 35 calendars at a profit of \$2-\$3 each (costs and selling prices varied). If we decide to do this again next year, there are Internet suppliers whose costs will be less. Good feedback has been received on the calendars.

SASME received \$33 from sales at the January GPD-TTOM swap meet.

# CHANGES IN THE CLUB ROOM

Nick Buchholz built, and others helped install, the new workbench and computer shelf along the west wall of the club room. One of the big improvements is lighting in the work area. There are switches labeled for lighting and power that are at eye-level. This was installed several months ago and has proven to be a

great help. It allows more aisle space along the wall and certainly looks better than the old bench we had. The old one served well for many years but the new work area is very nice.

Thanks, Nick, and the rest of you, who helped with this new addition!!

# MEMBER NEWS

Robin Preiser and Jim Woloshin have turned in applications to become members. Introduce yourselves and get to know them!

Joe Doherty had surgery recently to remove a kidney with a tumor. He is on the mend and should be home soon.

Robin Cherry had surgery on his

back in January and is on a short-term (hopefully) Leave of Absence.

Via email, Ben Kaur tells us he is to be assigned to Davis-Monthan AB and will probably return to Tucson late this summer!

As noted on the front page, SASME now has 25 active members and two applicant members. SASME has had a number of members take Leave of Absence over the last year.
